

UNITED STATES DISTRICT COURT  
DISTRICT OF NEVADA

JAMARR REED,

Petitioner,

v.

JEREMY BEAN, *et al.*,

Respondents.

Case No. 2:22-cv-02156-ART-EJY

SCHEDULING ORDER

On February 10, 2023, this court granted petitioner Reed's motion for appointment of counsel and appointed the Federal Public Defender (FPD) to represent him in this proceeding under 28 U.S.C. § 2254. ECF No. 9. Because counsel for both parties have appeared (ECF Nos. 9/10), the court now issues the following scheduling order:

**Amended Petition.** If petitioner wishes to file an amended petition in this action, he must do so within 45 days of the date this order is entered. The amended petition must state whether each ground for relief has been exhausted in state court. For each claim that has been exhausted, the amended petition must state how, when, and where that occurred.

**Response to Petition.** Respondents will have 60 days from receipt of the amended petition (or from the expiry of the period for filing an amended petition if none is filed) to file and serve an answer or other response to the amended petition.

**Reply.** Petitioner will have 45 days following service of an answer to file and serve a reply. Respondents will then have 30 days from receipt of the reply to file and serve a response to the reply.

**Briefing of Motion to Dismiss.** If respondents file a motion to dismiss, petitioner will have 60 days following service of the motion to file and serve a response to the motion. Respondents will then have 30 days following service of

1 the response to file and serve a reply.

2       **Discovery.** If petitioner wishes to move for leave to conduct discovery, he  
3 must file and serve that motion concurrently with, but separately from, the  
4 response to respondents' motion to dismiss or the reply to respondents' answer.  
5 Any motion for leave to conduct discovery filed by petitioner before that time  
6 may be considered premature, and it may be denied without prejudice on that  
7 basis. Respondents' response to any motion for leave to conduct discovery must  
8 be filed concurrently with, but separately from, their reply in support of their  
9 motion to dismiss or their response to petitioner's reply. Petitioner will then  
10 have 20 days to file and serve a reply in support of his discovery motion.

11       **Evidentiary Hearing.** If petitioner wishes to request an evidentiary  
12 hearing, he must file and serve a motion for an evidentiary hearing concurrently  
13 with, but separately from, the response to respondents' motion to dismiss or the  
14 reply to respondents' answer. Any motion for an evidentiary hearing filed by  
15 petitioner before that time may be considered premature, and it may be denied  
16 without prejudice on that basis. The motion for an evidentiary hearing must  
17 specifically address why an evidentiary hearing is required and must meet the  
18 requirements of 28 U.S.C. § 2254(e). The motion must state whether an  
19 evidentiary hearing was held in state court, and, if so, identify where the  
20 transcript is located in the record. If petitioner files a motion for an evidentiary  
21 hearing, respondents' response to that motion must be filed concurrently with,  
22 but separately from, their reply in support of their motion to dismiss or their  
23 response to petitioner's reply. Petitioner will then have 20 days to file and serve  
24 a reply in support of the motion for an evidentiary hearing.

25       DATED THIS 14th day of March, 2023.
